PRESIDENT'S MESSAGE

I hope this newsletter finds our members rested and enjoying the final days of summer. The last quarter of 2011 promises to be a volatile one, for our nation, the global markets, AND the GOP political landscape.

I look forward to serving as your President these next few months and together we'll garnish support for the platform of our party:

- **smaller government**
- **lower taxes**
- **protecting personal freedoms**
- **strong national security**
- **free enterprise.**

Let not our hearts be troubled... BE the change you wish to see in our world. The rest is up to God.

May God bless America.

Pat Saraceno
